TWO WEEK INTENSIVE HARDWOOD LUMBER GRADING SHORT COURSE
AUGUST 14-25, 2017
NORTH BAY, ONTARIO

The Canadian Hardwood Bureau and the National Hardwood Lumber Association are pleased to jointly offer interested individuals and companies the opportunity to participate in a unique, two-week intensive lumber grading short course in Ontario.

Online/Progressive Program

In an attempt to further its educational outreach and accommodate the needs of all students; the NHLA has created for those training to become lumber graders, the "Online/Progressive Program" which is divided into 3 blocks. Upon the successful completion of one block, a student can then proceed to the next.

**Block 1** normally requires two weeks of hands-on study at the NHLA Inspector Training School in Memphis, Tenn. However, it is this block that will be offered at Canadore College in North Bay, Ontario to companies interested in this option. Take advantage of this special chance to train in Canada.

**Block 2** of the Online/Progressive Program allows for up to 12 months of online study for memorization, study and testing of required material. • **Block 3** requires an additional three weeks of classroom study and board runs back at NHLA headquarters. Students who successfully fulfill all program requirements will receive a certificate of completion.

It should be noted that all applicants are strongly encouraged to sharpen mathematical skills prior to class start, as proficiency in these skills will be necessary for daily class activities.
LOCATION

This Block 1 training will be held at Canadore College in North Bay, ON, with the generous assistance of Quality Hardwoods Ltd. in nearby Powassan. Specific room locations are being finalized and will be provided to registrants.

COSTS:

The cost of the course is $1850 for Canadian Hardwood Bureau or NHLA members a preferred rate for members of the two organizations. The registration rate for non-members of NHLA or CHB is $2,225 plus applicable taxes. This includes the training and course materials. Travel, meals and accommodation are not included in these fees and are the responsibility of the students.

ACCOMODATION

Participants can stay in residence at Canadore College at a very reasonable rate. There are single and double room options available, some suites have private bedrooms with shared kitchen and washroom facilities. Please contact the residence booking service directly at 705-980-1301 ext. 0 for more information and to make arrangements there. There are also numerous hotels/motels in the area.
